

# Go Your Own Way

Gareth Gates

Gotta go, gotta go  
Go your own way

What's it all about  
What're they saying now  
that I'm not good for you  
But they don't know I'd be there for you  
How I care for you  
Truly doubt for you  
But it's clear that

I know if I push  
I push you away  
So I give you time  
I hope you decide what we feel is right  
Can't make up your mind

Gotta go your own way  
Go your own way  
If you're feeling doubt  
Baby work it out  
Gotta go your own way  
Go your own way  
If you feel the same  
Then baby stay

Now it's up to you  
What you wanna do  
No one can decide  
If you're wrong or right  
Everybody who's got their point of view  
Don't know what's on the line  
Though it's hard sometimes

I know if I push  
I push you away  
So I give you time  
I hope you decide what we feel is right  
Can't make up your mind

Gotta go your own way  
Go your own way  
If you're feeling doubt  
Baby work it out  
Gotta go your own way  
Go your own way  
If you feel the same  
Then baby stay

If you wanna be with me  
You gotta show me what I'm trying to see  
You gotta give me some kind of sign  
Cause Baby I can't read your mind  
I know you wanna get in a zone  
But nobody wanna live alone  
It doesn't matter what I say  
I can't make you stay

Gotta go your own way  
Go your own way  
If you're feeling doubt  
Baby work it out  
Gotta go your own way  
Go your own way  
If you feel the same  
Then baby stay
