

It Ain't Obvious

Gareth Gates

I keep trying
but I'm running out of ways to make you want me baby
I cannot be everything you want you drive me crazy
you're never satisfied
its not even worth a try times are for making up your mind
maybe we'll never see eye to eye

so treat me cruel to be kind
lets play it straight down the line
I'm sure you wanna be mine
but it ain't obvious

why cant you just let it be
what would you have me believe
I'm sure you really want me
but it ain't obvious

why don't you put a little trust in me
and let it go
if you don't take a chance
how will you ever know
baby im on your side

have I been foolish all along
have you been leading me on
just to walk away
if this is where you belong

so treat me cruel to be kind
lets play it straight down the line
I'm sure you wanna be mine
but it ain't obvious

why cant you just let it be
what would you have me believe
I'm sure you really want me
but it ain't obvious

but it ain't obvious
but it ain't obvious
but it ain't obvious
but it ain't obvious

come on wont you be with me
what would you have me believe
come on wont you be with me
oh no no

if its not even worth a try times are for making up your mind
maybe we'll never see eye to eye

no no

so treat me cruel to be kind
(treat me cruel)
lets play it straight down the line
(it ain't obvious)

I'm sure you wanna be mine
but it ain't obvious

why cant you just let it be
(just let it be)
what would you have me believe
(me believe)
come on wont you be with me
but it ain't obvious

but it ain't obvious
but it ain't obvious
but it ain't obvious
but it ain't obvious
but it ain't obvious
but it ain't obvious
but it ain't obvious
but it ain't obvious
but it ain't obvious
but it ain't obvious
