

# Just Say Yes

Gareth Gates

I wanna make a move  
You know ya got me sweatin'  
I'm heatin' up from you  
And here's the point I'm gettin' to  
You wanna get with me  
As far as I can see  
Tryin' to find the words to  
Let me know

Just stop wasting time  
And tell me what is really on your mind

If you want me to come over  
Just say yes  
'Cause baby you know that's one word  
You won't regret  
And if you're ready to go there  
I promise you this  
You'll never say no-no more  
Just say yes.

I know we're movin' fast  
I got a funny feelin'  
That we can make it last  
There's more than just one reason why  
We both came here tonight  
You know you can't deny  
You're tryin' to find a way to  
Let it show

Just stop wasting time  
And tell me what is really on your mind

If you want me to come over  
Just say yes  
'Cause baby you know that's one word  
You won't regret  
And if you're ready to go there  
I promise you this  
You'll never say no-no more  
Just say yes.

Three letters let me know just how you feel  
Together you know we can make it real  
You don't have to be afraid  
I'll be waitin' till I hear you say

If you want me to come over  
Just say yes  
'Cause baby you know that's one word  
You won't regret  
And if you're ready to go there  
I promise you this  
You'll never say no-no more  
Just say yes.
