

# Listen To My Heart

Gareth Gates

Endlessly  
Every time I look into your eyes  
I see forever  
I don't know why  
But every time we touch I feel alive  
There's nothing like it  
People say that love can't be that strong  
You might just believe it  
We can show you, we can prove them wrong

Listen to my heart beat for you  
Telling you that I adore you  
If you wanna know how much I feel inside  
Listen to my heart come closer  
Let me wrap my arms around you  
There's nothing I can do  
I'm so in love with you  
Just listen to my heart

All my love  
You really need to know that you're mine  
I'm spending the lifetime  
My whole life  
There's nothing gonna stop us  
cause we are  
A once in a lifetime

People say that love can't be that strong  
You might just believe it  
We can show you, we can prove them wrong

Listen to my heart beat for you  
Telling you that I adore you  
If you wanna know how much I feel inside  
Listen to my heart come closer  
Let me wrap my arms around you  
There's nothing I can do  
I'm so in love with you  
Just listen to my heart

I can't tell you what our future holds  
But as long as we're in love  
We're in life

Listen to my heart beat for you  
Telling you that I adore you  
If you wanna know how much I feel inside  
Listen to my heart come closer  
Let me wrap my arms around you  
There's nothing I can do  
I'm so in love with you  
Just listen to my heart
