Stacey And Bryony

Gareth Gates

I love Stacey and Bryony
They mean everything to me
I'll marry one of them
If they will take me

They're so beautiful
I love them forever
And a day......

Without them I'd die of sadness
One day of loneliness would kill me
Singleness is an impossible consequence
So I'll be with them forever.....

I don't know if I could live
If they died suddenly
In a car crash
If they fell off a cliff
I'd jump after them
And kiss them back to life!

Stacey and Bryony
Please listen to me
I love you
Will you marry me!
