Burning

I don't think I know you Don't think I ever will Am I in love with you? Well I don't know still It may sound strange but I'm warning you I may not be that nice Maybe, baby I'm a heartbreaker heartbreaker Heart of ice

But I'm burning, burning cause you set my soul on fire Girl I don't know what I'll do Cause I'm burning I am burning I am burning with desire Yes I'm burning, and it's all because of you Because of you...

We can't be together I'm not that kind of a guy I'll be gone and lost forever And you won't know why Don't get me wrong I'm only warning you You'll be on your own Maybe, baby I'm a heartbreaker heartbreaker Heart of stone

But I'm burning I'm burning cause you set my soul on fire Girl, I don't know what I'll do Cause I'm burning I'm burning I'm burning with desire Yes I am burning and it's all because of you Because of you...

But I'm burning I'm burning cause you set my soul on fire Girl, I don't know what I'll do Cause I'm burning I'm burning I'm burning with desire Yes I am burning and it's all because of you Because of you... Garou
