

Let It Snow ! Let It Snow ! Let It Snow !

Garou

Oh the weather outside is frightful
But the fire is so delightful
And since we've no place to go
Let it snow, let it snow, let it snow

It doesn't show signs of stopping
And I've brought some corn for popping
The lights are turned way down low
Let it snow, let it snow, let it snow

When we finally kiss goodnight
How I hate going out in the storm
But if you really hold me tight
All the way home I'll be warm

The fire is slowly dying
And my dear we're still goodbye-ing
As long as you love me so
Let it snow, let snow, let it snow

Nous filons sur la neige blanche
En ce beau jour de dimanche
À travers les sapins verts
C'est l'hiver, c'est l'hiver, c'est l'hiver

Les enfants de notre village
Chantent la joie de leur âge
Et les grands murmures de se taire
C'est l'hiver, c'est l'hiver, c'est l'hiver

When we finally kiss goodnight
How I hate going out in the storm
But if you really hold me tight
All the way home I'll be warm

The fire is slowly dying
And my dear we're still goodbye-ing
As long as you love me so
Let it snow, let snow, let it snow

Let it snow, let snow, let it snow

C'est l'hiver, c'est l'hiver, c'est l'hiver

Let it snow, let snow, let it snow
