

In Another's Eyes

Garth Brooks

In another's eyes I'm someone who
Loves her enough to walk away from you
I would never cheat and I would never lie
In another's eyes, yeah, yeah

In another's eyes I can do no wrong
And he believes in me and his faith is strong
I never fault or even compromise
In another's eyes

In another's eyes I'm afraid that I can't see
This picture-perfect portrait that they paint of me
They don't realise and I pray they never do
Cos every time I look I'm seeing you
In another's eyes

Oh in another's eyes staring back at me
I see a sinking soul trying desperately
To turn the tide before it dies
In another's eyes, yeah, yeah

And what they don't see, lord is killing me
And it's a blessing and a curse that love is blind
So in another's arms I'm afraid that I can't see
This picture-perfect portrait that they paint of me
They don't realise and I pray to God they never do
Cos every time I look I'm seeing you
In another's eyes
In another's eyes
In another's eyes
