

It's Your Song

Garth Brooks

Standing in the spotlight
On such a perfect night
Knowing that your out there listening
I remember one time
When I was so afraid
Didn't think I had the courage
To stand up on this stage
Then you reached into my heart
And you found the melody
And if there ever was somebody
Who made me believe in me
It was you
It was you

It was your song that made me sing
It was your voice that gave me wings
And it was your light that shined
Guiding my heart to find
This place where I belong
It was your song

Every night I pray
Before the music starts to play
That I'll do my best and I won't let you down
And for all the times I've stood here
This feeling feels brand new
And any time I doubt myself I think of you

'Cause It was your song that made me sing
It was your voice that gave me wings
And it was your light that shined
Guiding my heart to find
This place where I belong
It was your song

Dreams can come true
With God's great angels like you

It was your song that made me sing
It was your voice that gave me wings
And it was your light that shined
Guiding my heart to find
This place where I belong
It was your song
It was your song
It's always been your song
