We Bury the Hatchet

Garth Brooks

Hey, all the neighbors lights
Came on last night
Just like they do every time
We have a little fight
It's gettin' to the point
We can't get along
We're always fighting about things
That should be dead and gone

We bury the hatchet
But leave the handle stickin' out
We're always diggin' up things
We should forget about
When it comes to forgettin'
Baby, there ain't no doubt
We bury the hatchet
But leave the handle sticking out

Well, I was kissing on Cindy Hey, that I won't deny But that's a long time ago I let a dead dog lie But if you want to cut deep How 'bout you and ol' Joe I caught you down at the creek Just ten years ago We bury the hatchet But leave the handle stickin' out We're always diggin' up things We should forget about When it comes to forgettin' Baby, there ain't no doubt We bury the hatchet But leave the handle sticking out Hey, we got enough on each other To wage a full scale war If we could ever remember What we were fightin' for We bury the hatchet But leave the handle stickin' out We're always diggin' up things We should forget about When it comes to forgettin' Baby, there ain't no doubt We bury the hatchet But leave the handle sticking out We bury the hatchet But leave the handle stickin' out
