

When You Come Back to Me Again

Garth Brooks

There's a ship out
On the ocean
At the mercy of the sea
It's been tossed about
Lost and broken
Wandering aimlessly
And God somehow
You know that ship is me
'Cause there's a lighthouse
In the harbour
Shining faithfully
Pouring its light out
Across the water
For this sinking soul to see
That someone out there
Still believes in me

On a prayer, in a song
I hear your voice and
It keeps me hanging on
Raining down
Against the wind
I'm reaching out till
We reach the circle's end
When you come
Back to me again

There's a moment
We all come to
In our own time and
Our own space
Where all that we've done
We can undo
If our heart's
In the right place

On a prayer, in a song
I hear your voice and
It keeps me hanging on
Raining down
Against the wind
I'm reaching out till
We reach the circle's end
When you come
Back to me again
And again I see
My yesterday's in front of me
Unfolding like a mystery
You're changing all that is
And used to be

On a prayer, in a song
I hear your voice and
It keeps me hanging on
Raining down
Against the wind
I'm reaching out till

We reach the circle's end
When you come
Back to me again

When you come
Back to me again
