## When You Come Back to Me Again

## **Garth Brooks**

There's a ship out On the ocean At the mercy of the sea It's been tossed about Lost and broken Wandering aimlessly And God somehow You know that ship is me 'Cause there's a lighthouse In the harbour Shining faithfully Pouring its light out Across the water For this sinking soul to see That someone out there Still believes in me

On a prayer, in a song
I hear your voice and
It keeps me hanging on
Raining down
Against the wind
I'm reaching out till
We reach the circle's end
When you come
Back to me again

There's a moment
We all come to
In our own time and
Our own space
Where all that we've done
We can undo
If our heart's
In the right place

On a prayer, in a song
I hear your voice and
It keeps me hanging on
Raining down
Against the wind
I'm reaching out till
We reach the circle's end
When you come
Back to me again
And again I see
My yesterday's in front of me
Unfolding like a mystery
You're changing all that is
And used to be

On a prayer, in a song I hear your voice and It keeps me hanging on Raining down Against the wind I'm reaching out till

We reach the circle's end When you come Back to me again

When you come Back to me again
