Every Storm (Runs Out of Rain)

Gary Allan

Oh so your standing in the middle of the thunder and lightning
I know you're feeling like you just can't win, but you're tryin
g
It's hard to keep on keepin' on, when you're being pushed aroun
d
Don't even know which way is up, you just keep spinning down, '
round, down...

Every storm runs, runs out of rain
Just like every dark night turns into day
Every heartache will fade away
Just like every storm runs, runs out of rain

So hold your head up and tell yourself that there's something m
ore
And walk out that door,
Go find a new rose, don't be afraid of the thorns
'Cause we all have thorns
Just put your feet up to the edge, put your face in the wind
And when you fall back down, keep on rememberin'

Every storm runs, runs out of rain
Just like every dark night turns into day
Every heartache will fade away
Just like every storm runs, runs out of rain

It's gonna run out of pain
It's gonna run out of sting
It's gonna leave you alone
It's gonna set you free
Set you free

Every storm runs, runs out of rain
Just like every dark night turns into day
Every heartache will fade away
Just like every storm runs, runs out of rain

It's gonna set you free,
It's gonna run out of pain,
And set you free
