

# I Think I've Had Enough

Gary Allan

All the days that ended well in to tomorrow  
All the times I couldn't lay it on the line  
This old conscience that I could never follow  
I hate to say it but I wish it wasn't mine  
All the broken hearts that didn't see it coming  
All the tears that should've never hit the floor  
All the looking back and mainly all the running  
All these reasons that I'm standing at your door

I think I've had enough  
This time I've given in  
Without you it's too rough  
So I'm standing here again  
I've finally realized  
This love it never dies  
I'm really not that tough  
No I'm really not that tough  
I think I've had enough

Life is gonna be a circus  
Rain or shine  
Heights did always make me nervous  
So if you're gonna ride the Ferris Wheel  
I'll need your hand in mine

I think I've had enough  
This time I've given in  
Without you it's too rough  
So I'm crawling back again  
I've finally realized  
This love that never dies  
I'm really not that tough  
No I'm really not that tough  
I think I've had enough

I'm really not that tough  
I think I've had enough

I think I've had enough
