

Lovin' You Against My Will

Gary Allan

I don't wanna hurt nobody
Don't wanna make nobody cry
I don't wanna do wrong, I don't wanna do wrong
I don't wanna tell no lies
I'm lovin' you, lovin' you against my will
Lovin' you, lovin' you against my will

I don't wanna hear the phone ring
Don't wanna hear your voice on the line
I don't wanna come to you, I don't wanna come to you
I don't wanna give in this time
Girl, I'm lovin' you, lovin' you against my will

Your love is like a deep dark river
Pullin' me out to sea
The harder I try to resist you
The weaker I seem to be

I don't wanna turn down your side street
I don't wanna pull in your drive
Don't wanna see you standin' there, don't wanna see you standin'
' there
Don't wanna see that look in your eyes
Girl, I'm lovin' you, lovin' you against my will

Your love is like a deep dark river
Pullin' me out to sea
The harder I try to resist you
The weaker I seem to be

I don't wanna feel your heartbeat
I don't wanna taste your kiss
I don't wanna call your name, I don't wanna call your name
I don't wanna want you like this
Girl, I'm lovin' you, lovin' you against my will
Lovin' you, lovin' you against my will
