

# Pieces

Gary Allan

I've been broken, torn and scattered  
I've loved holy, I've loved sin  
I was rolling on the wind  
It didn't matter

I was so sure of who I didn't want to be  
Every smile and every fear  
Every laugh and every tear  
It was all mine, it was all me

Pieces of my heart  
Pieces of my soul  
Pieces that I'm gonna be  
I don't even know  
I gave a lot to lovers  
Gave a lot to friends  
Everything I took from them  
Made me who I am  
Pieces

We've all been lied to  
We've all been liars  
Nothing's perfect in this world  
Everybody's been burned by the fire  
Guess I'm learning  
That what breaks you, makes you grow  
But I'm not hiding where I've been  
Gonna let the light shine in  
What I don't need  
Gonna let that, let that, let that go

Pieces of my heart  
Pieces of my soul  
Pieces that I'm gonna be  
I don't even know  
I gave a lot to lovers  
Gave a lot to friends  
Everything I took from them  
Made me who I am  
Pieces

Pieces, the good and the bad  
Pieces, the happy and sad  
Pieces, the wrong and the right  
Pieces, that's my, that's my, that's my life

Pieces of my heart  
Pieces of my soul  
Pieces that I'm gonna be  
I don't even know  
I gave a lot to lovers  
Gave a lot to friends  
Everything I took from them  
Made me who I am  
Pieces
