

# Face to Face

Gary Barlow

1. It's a true sign of a soldier  
Taking care of the hearts around us  
And the whole world loves a hero  
A leader and a shoulder to cry on

X: That's what you are to me,  
Everyone around can see yeah

R: When we're face to face oh I  
When the music plays oh I  
Standing side by side  
Put the past behind us  
No one can take your place  
When we're face to face

2. You can measure the strength of a human  
By the weight of the love around them  
One sweet light in the darkness  
Guided us all like a pilot

X: That's what...

R: When we're face to face oh I...

\*: When you live your life with a passion  
Taking nothing for granted  
You made me believe if you give love, you will find it  
You, you are the world to me yeah  
A heart as wide as the ocean  
You aim to climb every mountain  
And the unknown you understand it  
Yea, you do

R: When we're face to face oh I... (2x)
