

Stronger As One

Gary Barlow

From Echo Bay to Kanye
Bartica to Bairiki
Flowing as one,
Where any dream can live on
With old and with new
It is the voice that rings true (Oh-Oh)
Calling us, making us one

Heart and a soul
Shining as gold
Under one Sun
We're stronger as one

Montego Bay to Savai'i
Sullum Voe to Kalahari
Oceans may part
But every river must start
In valley and hill
We are people who will (Oh-Oh)
Come now, joining as one

Heart and a soul
Shining as gold
Under one Sun
We're stronger as one

In the rise and the fall
Of echoed words in great halls
Nations may dawn
But it is we who are born
All equal and free
With the power to see (Oh-Oh)
Who among many has one

Heart and a soul
Shining as gold
Under one Sun
We're stronger as one
