

Walk

Gary Barlow

I thought that you would be the one,
to share my life,
I thought that you would be the one,
to stand here by my side,
I thought that you would be the lover,
I've always dreamed of,
I thought that you would be the one,
to face and fight any storm,

What a fool I've been,
nothing's quite the way it seems,
all I've lost is all I had,
all I had I never found,

So walk right out of my life,
enjoy your independence and freedom,
how can you still be proud,
when you've broken your vow?
Just turn away don't look back,
the love you promised taught me a lesson,
I know I'll survive,
after you have walked out of my life,
out of my life,

I can't believe behind your smile,
that there lived a lie,
I can't believe inside your heart,
our love had already died,
I can't believe that I've been chasing something,
I'll never see,
I can't believe I've been the reason,
for your choice to be free,

How I've lost my way,
over night feelings change,
and after all this time you tell me,
you never felt the same way,

So walk right out of my life,
enjoy your independence and freedom,
how can you still be proud,
when you've broken your vow?
Just turn away don't look back,
the love you promised taught me a lesson,
I know I'll survive,
after you have walked out of my life,

and out of my arms each night,
there's no meaning now to all,
that I feel, inside,
don't tell me your love is true,
now my broken heart won't let me believe in you no,

So walk right out of my life,
enjoy your independence and freedom,
how can you still be proud,
when you've broken your vow?

Just turn away don't look back,
the love you promised taught me a lesson,
I know I'll survive,
after you have walked of my life,

baby, how can you still be proud,
when you've broken your vow?
Just turn away don't look back,
the love you promised taught me a lesson,
I know I'll survive,
after you have walked out of my life,

walked out of my life,
baby, whooo
walking out of my life,
walking out walking out of my life,
walked out of my life,
walking out of my life,
just walk out of my life.....
