

## Blak and Blu

Gary Clark Jr.

When you're feeling down and out  
When you're feeling black and blue  
You should feel like you can come to me  
And I'll tell you the truth

Yet somewhere we got twisted  
How do we get lifted?  
How did we not go insane?

For so long we've existed  
Still we are resisted  
Why is it we still remain?

Black and blue, yeah  
Black, black and blue  
Oh no, don't leave me  
Black and blue, yeah  
Black, black and blue  
Oh no, don't leave me

They say you get just what you paid for  
And that you reap just what you sow  
So, you won't get everything you pray for  
Surprises me that you don't know, by now

I need something to hold on to  
While the world is spinning 'round and 'round  
It could crumble any moment  
I keep my feet on solid ground, for now
