

baby i love your way

Gary Glitter

Shadows grow so long before my eyes
And they're moving across the page
Suddenly the day turns into night
Far away from the city

But don't hesitate 'cuz your love won't wait
Ooh baby I love your way (everyday)
Wanna tell you I love your way (every way)
Wanna be with you night and day

Moon appears to shine and light the sky
With the help of some fireflies
I wonder how they have the power to shine, shine, shine
I can see them under the pine

But don't hesitate 'cuz your love won't wait
Ooh baby I love your way (everyday)
Wanna tell you I love your way
Wanna be with you night and day

But don't hesitate 'cuz your love won't wait
I can see the sunset in your eyes
Brown and grey and blue besides
Clouds are stalking islands in the sun

I wish I could buy one out of season
But don't hesitate 'cuz your love won't wait
Ooh baby I love your way (everyday)
Wanna tell you I love your way

Wanna be with you night and day
Ooh baby I love your way (everyday)
Wanna tell you I love your way
Wanna be with you night and day.
