

# Dance Me Up

Gary Glitter

Bring on the dancing girls  
Bring on the dancing girls  
Bring on the dancing girls  
Bring on the dancing girls  
I feel the beat  
I can't wait any longer  
I feel the heat  
Of bodies on the floor  
Maybe one that's hot  
Gets me so excited  
Root me to the spot  
I can't take it anymore  
So letta me ride in the middle of  
the action  
I've been watching and longing her  
(Chorus)  
So (Bring on the girls)  
Bring on the girls  
(Bring on the girls)  
Bring on the girls  
(Bring on the good for nothing good looking girls)  
And dance, dance, dance, dance me up  
Dance, dance, dance, dance me up  
Over the top  
And then a little higher  
Make my body pops  
So that my feet don't touch the ground  
I ain't gonna stop  
Till you light my fire  
You can dance me up  
But you'll never dance me down  
Coz I'm a man  
And my temperature is rising  
I've been lonely, longing her  
(Repeat Chorus)  
And dance, dance, dance, dance me up  
Dance, dance, dance, dance me up  
Bring on the dancing girls  
I demand a fan of fan  
Bring on the dancing girls  
Bring on the dancing girls  
I can't go wrong, I'm on  
Bring on the dancing girls  
I'm the one in the middle of  
the action  
I've been watching and longing her  
(Repeat Chorus)  
And dance, dance, dance, dance me up  
Dance, dance, dance, dance me up  
Dance, dance, dance, dance me up  
Dance, dance, dance, dance me up  
Dance, dance, dance, dance me up  
Dance, dance, dance, dance me up
