

# I Dare You to Lay One on Me

Gary Glitter

You seem to get some play for keeping me in place  
Strange I make you happy when it's on my face  
And you would say you never birch  
You play the perfect lady but I know you're kind  
You're permanently stationed in your frame of mind  
And who am I to bare a grudge, can't hold you need a little hut  
ch

Go, go on, I dare you to lay one on me  
Go on, go on, I dare you to lay one on me  
I dare you to lay one on (go on, go on, go on)

Temptation isn't something I can easily hide  
I've seriously contemplated suicide  
But wouldn't that be such a waste  
Despite your inner visions and your lack of style  
I think I've got your number by the way you smile  
I really just define my case  
You know it's 10 free flight across your face

Go, go on, I dare you to lay one on me  
Go on, go on, I dare you to lay one on me  
I dare you to lay one on (go on, go on, go on, go on)  
Go on, go on, I dare you to lay one on me  
Go on, go on, I dare you to lay on (go on, go on)  
Go on, go on, I dare you to lay one on me  
Go on, go on
