

# I'm Right, You're Wrong, I Win

Gary Glitter

I'm Right, you're wrong, i win (3x)  
I'm Right, you're wrong  
You walked out on me again  
I said you'd come back again  
I'm right, you're wrong, I win  
I've got news for you my friend  
I knew all along you'd be  
I'm Right, You're wrong, I win  
Right or wrong I know i win  
All night long till you give in  
Right or wrong  
All night long  
All along i new that  
Right or wrong  
I'm still your man  
All along, right or wrong  
I'll get to you like nobody can  
You said it's all over know  
Then you're still here anyhow  
I'm right, You're wrong, I win  
Can't you see you just can't leave  
How can I make you believe  
I'm right, you're wrong, I win  
Right or wrong  
I've got you with me  
From now on this time you stay  
Right or wrong  
From now on  
Right or wrong you won't get free  
All along, cause you're for me  
All along, right or wrong  
I've locked you up, now i've got the key  
Now I've been right all along  
Just get back where you belong  
I'm right, you're wrong, I win  
I'm Right, you're wrong, i win  
Well, I'm Right, you're wrong, i win  
I'm Right, you're wrong, i win  
Well, I'm Right, you're wrong I win  
I'm Right, you're wrong, i win  
Well, I'm Right, you're wrong  
I'm Right, you're wrong, i win  
Well, I'm Right, you're wrong, i win  
yeah, yeah, I'm Right, you're wrong, i win  
Well, I'm Right, you're wrong I win  
I'm Right, you're wrong, i win  
Well, I'm Right, you're wrong I win
