

# Lonely Boy

Gary Glitter

I'm just a lonely boy  
Lonely and blue  
I'm all alone  
With nothing to do  
I've got everything you could think of  
But all I want is someone to love

Someone to love  
Someone to kiss  
Some to hold  
At a moment like this

I like to hear somebody say  
I'll give you my love each night and day

I'm just a lonely boy  
Lonely and blue  
I'm all alone  
With nothing to do  
I've got everything you could think of  
But all I want is someone to love

Somebody please  
Say it to me  
I'll make her happy  
Just wait and see

I pray in heart  
To the heavens above  
That I might find  
Someone to love
