

# To Know You Is to Love You

Gary Glitter

To know know know you is to love love love you  
Just to see you smile makes my life worthwhile  
To know know know you is to love love love you  
And I do and I do and I do and I do and I do.  
I'll be good to you, I'll bring love to you  
Everyone says there'll come a day when I'll walk  
alongside of you  
Yes yes to know you is to love love love you  
And I do and I do and I do and I do and I do.  
I can't believe how blind can she be ?  
But someday you'll see that you were meant for me, oh oh.  
To know know know you is to love love love you  
And I do and I do and I do and I do and I do.  
To know know know you is to love love love you  
Just to see you smile makes my life worthwhile  
To know know know you is to love love love you  
And I do and I do and I do and I do and I do ....
