

To Know You Is to Love You

Gary Glitter

To know know know you is to love love love you
Just to see you smile makes my life worthwhile
To know know know you is to love love love you
And I do and I do and I do and I do and I do.
I'll be good to you, I'll bring love to you
Everyone says there'll come a day when I'll walk
alongside of you
Yes yes to know you is to love love love you
And I do and I do and I do and I do and I do.
I can't believe how blind can she be ?
But someday you'll see that you were meant for me, oh oh.
To know know know you is to love love love you
And I do and I do and I do and I do and I do.
To know know know you is to love love love you
Just to see you smile makes my life worthwhile
To know know know you is to love love love you
And I do and I do and I do and I do and I do
