

You Belong to Me

Gary Glitter

They can't keep us apart
No, no, no, no, no, no, no
They can't keep us apart

After all their lies
You and I still survive
Much to their surprise
Here we are still alive

They scandalized, criticized
Just two foolish kids at heart
They vandalized, victimized
But they can't keep us apart

They can't keep us apart
No, no, no, no, no, no, no
They can't keep us apart

'Cause I belong to you and you belong to me
I belong to you and you belong to me

After all their cares
You and me still remain
Much to their despair
Off they go fooled again

They scandalized, criticized
We were much too young at heart
They vandalized, victimized
They can't keep us apart

They can't keep us apart
No, no, no, no, no, no, no
They can't keep us apart

'Cause I belong to you and you belong to me
I belong to you and you belong to me, oh

I belong to you, my heart belongs to you
My world belongs to you and my love belongs to you
And you belong to me

Oh, I belong to you, you belong to me
I belong
