

## Rhythm Of The Rain

Gary Lewis & The Playboys

Listen to the rhythm of the falling rain  
Telling me just what a fool I've been  
I wish that it would go  
And let me cry in vain  
And let me be alone again

The only girl I care about has gone away  
Looking for a brand new start  
But little does she know  
That when she left that day  
Along with her she took my heart

Rain, please tell me  
Now does that seem fair  
For her to steal my heart away  
When she don't care  
I can't love another  
When my heart's somewhere far away

The only girl I care about has gone away  
Looking for a brand new start  
But little does she know  
That when she left that day  
Along with her she took my heart

Rain, won't you tell her  
That I love her so  
Please ask the sun  
To set her heart aglow  
Rain in her heart  
And let the love we knew start to grow

Listen to the rhythm of the falling rain  
Telling me just what a fool I've been  
I wish that it would go  
And let me cry in vain  
And let me be alone again
