

Rhythm Of The Rain

Gary Lewis & The Playboys

Listen to the rhythm of the falling rain
Telling me just what a fool I've been
I wish that it would go
And let me cry in vain
And let me be alone again

The only girl I care about has gone away
Looking for a brand new start
But little does she know
That when she left that day
Along with her she took my heart

Rain, please tell me
Now does that seem fair
For her to steal my heart away
When she don't care
I can't love another
When my heart's somewhere far away

The only girl I care about has gone away
Looking for a brand new start
But little does she know
That when she left that day
Along with her she took my heart

Rain, won't you tell her
That I love her so
Please ask the sun
To set her heart aglow
Rain in her heart
And let the love we knew start to grow

Listen to the rhythm of the falling rain
Telling me just what a fool I've been
I wish that it would go
And let me cry in vain
And let me be alone again

Listen to the rhythm of the falling rain
Listen to the rhythm of the falling rain
Listen to the rhythm of the falling rain
