The Birds And The Bees

Gary Lewis & The Playboys

Let me tell ya 'bout the birds and the bees And the flowers and the trees And the moon up above And a thing called "Love"

Let me tell ya 'bout the stars in the sky And a girl and a guy And the way they could kiss On a night like this

When I look into your big brown eyes It's so very plain to see That it's time you learned about the facts of life Starting from A to Z

Let me tell ya 'bout the birds and the bees And the flowers and the trees And the moon up above And a thing called "Love"
