

Tina

Gary Lewis & The Playboys

Tina, I held you in my arms and the world stood still,
And all at once I realized my heart's at the mercy of your will

.

Tina, I kissed your tender lips and fell under your spell,
I'm so devoted to you 'cause I love you and I always will.

'Cause you hypnotized me and made me your slave,
A slave to your kisses - a slave to your kind, loving ways.
Tina, you thrilled me with your touch and I can't get free;
Free from the chains of love that I pray will soon bind you to me.

'Cause you hypnotized me and made me your slave,
A slave to your kisses - a slave to your kind, loving ways.
Tina, you thrilled me with your touch and I can't get free;
Free from the chains of love that I pray will soon bind you to me.
