

Bad for You Baby

Gary Moore

You got a wiggle when you walk
You got a giggle when you talk
I see you coming it makes me smile
You beat the other women by a million miles

I got it bad for you baby...
I got it bad for you baby
I got it bad for you baby
And I just can't help myself

I see you walking down the street
You're looking good, good enough to eat
You say hello, it makes me sweat
A woman like you is as good as it gets

I got it bad for you baby...

You got a wiggle when you walk
You got a giggle when you talk
You got the looks and you got the style
You beat the other women by a million miles

I got it bad for you baby...
Got it bad for you baby
And I just can't help myself.
