

## Burning in Our Hearts

Gary Moore

When the night goes to sleep,  
And the world keeps turnin'.  
All alone in my room  
With a love that's burnin'.  
It's been so long  
Since I found what I'm lookin' for.  
Give me your love,  
Bring it on home to me.

Love is deep as the ocean.  
Love is what keeps us apart.  
Love is a sea of emotion,  
A fire that burns in our hearts.

When the night goes to sleep,  
And the world keeps turnin'.  
All alone in my room  
With a love that's burnin'.  
It's been so long  
Since I found what I'm lookin' for.  
Give me your love,  
Bring it on home to me.

Love is deep as the ocean.  
Love is what keeps us apart.  
Love is a sea of emotion,  
A fire that burns in our hearts.

When the night goes to sleep,  
And the world keeps turnin'.  
All alone in my room  
With a love that's burnin'.  
It's been so long  
Since I found what I'm lookin' for.  
Give me your love,  
Bring it on home to me.

Love is deep as the ocean.  
Love is what keeps us apart.  
Love is a sea of devotion,  
A fire that burns in our hearts,  
A fire that burns in our hearts.

Love is as deep as the ocean.  
Love is a sea of emotion.  
Love is as deep as the ocean.  
Love is a sea of emotion.
