

# Can't Help Myself

Gary Moore

In this world of make believe,  
I will try to find a way.  
It's so easy to deceive  
what you do or what you say.

I would never try to ever break your heart,  
even though it seems I tear your soul apart.  
I would never try to hurt you,  
never leave you or desert you.  
Try to understand, I just can't help myself.

In this world of make believe,  
I will try to find a way.  
It's so easy to deceive  
what you do and what you say.

I would never try to ever break your heart,  
even though it seems I tear your soul apart.  
I would never try to hurt you,  
never leave you or desert you.  
Try to understand, I just can't help myself.  
I just can't help myself.

In this world of make believe,  
I will try to find a way.  
It's so easy to deceive  
with what you do and what you say.

I would never try to ever break your heart,  
even though it seems I tear your soul apart.  
I would never try to hurt you,  
never leave you or desert you.  
Try to understand, I just can't help myself.  
I just can't help myself.

No, I can't help myself.
