Cold Wind Blows

Gary Moore

Sun don't shine 'round here no more, Since my baby walked on out that door. She broke my heart, make no mistake. All I did was give. All she did was take. But don't you know, Where she goes, The cold wind blows.

Well, my baby told so many lies. I couldn't see through my blinded eyes. She choked me up with her bad, bad seed. Took the flowers I gave her And strangled them with weeds. But don't you know, Where she goes, The cold wind blows.

I ain't gonna cry no more. I ain't gonna cry no more. I ain't gonna cry no more, Cry no more.

Sun don't shine 'round here no more, Since my baby walked on out that door. She broke my heart, make no mistake. All I did was give. And all she did was take. But don't you know, Where she goes, The cold wind blows. The cold wind blows.

I ain't gonna cry no more. Ain't gonna cry no more, Cry no more. Gonna cry no more. Ain't gonna cry no more.
