

# Crying in the Shadows

Gary Moore

Sometimes he sees her walking by  
He never looks her in the eye  
She doesn't know, she doesn't care  
What he is feeling

And as she turns to walk away  
There is nothing he can say  
She doesn't know  
Why should she care?  
When he's alone, she's never there  
to see him

Crying in the shadows  
Of a love he used to know  
But now it's all over  
Crying in the shadows  
Of someone he called his own  
But now he's all alone again

Sometimes she sees him walking by  
She never looks him in the eye  
He doesn't know, he doesn't care  
What she is feeling

As he turns to walk away  
There is nothing she can say  
He doesn't know  
Why should he care?  
When she's alone, he's never there  
He leaves her

Crying in the shadows  
Of a love she used to know  
But now it's all over  
Crying in the shadows  
Of someone she called her own  
But now she's all alone again

Well, he can see it in her eyes  
And she can feel it in her heart  
Yes, they can feel it in their hearts  
It's tearing them apart  
Over and over again

Crying in the shadows  
Of a love he used to know  
But now it's all over  
Crying in the shadows  
Of someone she called her own  
But now she's all alone

Crying in the shadows  
Of a love they used to know  
But now it's all over  
Crying in the shadows  
Of a love they used to know  
But now they're all alone again

Crying in the shadows  
Crying in the shadows, of love

Crying in the shadows  
Crying in the shadows, of love

Crying in the shadows  
Crying in the shadows, of love

Crying in the shadows  
Crying in the shadows, of love

Crying in the shadows  
Crying in the shadows, of love

Crying in the shadows  
Crying in the shadows, of love
