Don't believe me if I tell you Not a word of this is true Don't believe me if I tell you Especially if I tell you That I'm in love with you

Don't believe me if I tell you
That I wrote this song for you
There just might be some
Other silly, pretty girl I'm singing it to

Don't believe a word
'Cause words are only spoken
And a heart is like a promise
Meant to be broken

Don't believe a word 'Cause words can tell lies And lies are no comfort When there's tears in your eyes

Don't believe me if I tell you Not a word of this is true Don't believe me if I tell you Especially if I tell you that I'm in love with you

Don't believe a word Don't believe a word Don't believe me, don't believe me Not a single word

Don't believe me if I tell you Not a word of this is true Don't believe me if I tell you Especially if I tell you I'm in love with you

Don't believe me if I tell you
That I wrote this song for you
There just might be some
Other silly, pretty girl I'm singing it to

Don't believe a word
'Cause words are only spoken
And a heart is like a promise
Meant to be broken

Don't believe a word
'Cause words can tell lies
And lies are no comfort
When there's tears in your eyes

Don't believe me if I tell you Not a word of this is true Don't believe me if I tell you Especially if I tell you that I'm in love with you

Don't believe a word Don't believe a word Don't believe me Don't believe me Don't believe me
