

# Done Somebody Wrong

Gary Moore

Bell has tolled, my baby caught that train n' gone  
Bell has tolled, my baby caught that train n' gone  
It was all my fault, must have done somebody wrong

Everything that happens, you know I get the blame  
Everything that happens, you know I get the blame  
Gonna find myself a doctor, maybe my luck will change  
Yeah

My mama and papa told me, this day would surely come  
But I wouldn't listen to them, I had to have my fun  
Bell has tolled, my baby caught that train n' gone  
It was all my fault, must have done somebody wrong  
Yes I did

Bell has tolled, my baby caught that train n' gone  
Bell has tolled, my baby caught that train n' gone  
It was all my fault, must have done somebody wrong  
Yes I did
