

# Holding On

Gary Moore

Do you know what I'm thinking about you all the time  
Do you know when I'm dreaming and wishing you were mine  
Girl, when you standing next to me  
There's nowhere else on earth I'd rather be  
Till the day when you're in my arms  
I'll keep holding on  
I'll keep holding on

Do you know what I'm feeling right down to my soul  
Well, my senses are reeling and I might just lose control  
Girl, when you far away from me  
I'm disconnected from my destiny  
Till the day when you're by my side  
I'll keep holding on  
I'll keep holding on

You say your friends and your family could never take a man like me  
Why should I care what they talk about  
Baby take a chance, you'll see

Knowing you standing close to me  
There's nowhere else on earth I'd rather be  
Till the day when you're in my arms  
I'll keep holding on  
I'll keep holding on

Holding on  
I'll keep holding on  
I'll keep holding on  
I'll keep holding on.
