Hot Gossip

Gary Moore

Ssh, don't say anything,
here he comes.

I don't mind you going out with your friends,
if it's to places where we've both been.
But I don't like you going with him,
don't wanna have to say this again.

I don't mind you going out to a show,
if it's with people that we both know.
But I don't like you going with him,
I'm gonna stop this before it begins.

Hot gossip,
they're talking 'bout it all over town.
(Hot gossip,)
these things have ways of gettin' around.
(Hot gossip,)
I'm sick and tired of hearing that sound.
I've had enough.
You've got to stop foolin' around.

I don't mind you going out with your friends,
doesn't matter in the places we've been.
But I don't like you going with him,
don't wanna have to say it again.

I don't mind you going out to a show,
as long as you're with people that we both know.
But I don't like you going with him,
I'm gonna stop this before it begins.

Hot gossip,
they're talking 'bout it all over town.
(Hot gossip,)
these things have ways of gettin' around.
(Hot gossip,)
I'm sick and tired of hearing that sound.
I've had enough.
It's got to stop.

My ears are burnin'
from all the things everybody's been sayin'.
My friends are turnin'
their backs on me when I walk through the door,
I can't stand it no more.

My ears are burnin'
from all the things everybody's been sayin'.
My friends are turnin'
their backs on me when I walk through the door.

Hot gossip,
they're talking 'bout it all over town.
(Hot gossip,)
these things have ways of gettin' around.

```
(Hot gossip,)
they're talking 'bout it all over town.
(Hot gossip,)
these things have ways of gettin' around.

(Hot gossip,)
they're talking 'bout me.
(Hot gossip,)
talking behind my back.

(Hot gossip,)
you've been foolin' 'round on me, baby.
(Hot gossip,)
and I'm gonna get you back.

Talkin' about me, (hot gossip)
Oh, yeah.
Talkin' about you, (hot gossip)

Talkin' about me, (hot gossip)
Oh.
Talkin' about you, (hot gossip)

Talkin' about me, (hot gossip)
Talkin' about you, (hot gossip)

Talkin' about me, (hot gossip)
Talkin' about you, (hot gossip)
```
