

# I Can't Quit You Baby

Gary Moore

I can't quit you, baby  
But I've got to put you down for awhile  
You know I can't quit you, baby  
But I've got to put you down for awhile  
Well, you messed up my happy home, babe  
Made me mistreat my only child

You know I love you, baby  
My love for you I could never hide  
Yes, you know I love you, baby  
My love for you I would never hide  
Yes, you know you're the onliest one, darlin'  
You're just my heart's desire

Well, I'm so tired I could cry  
I could just lay down and die  
I'm so tired I could cry  
I could just lay down and die  
You know I love you, baby  
You're just my heart's desire

When you hear me moanin' and groanin', baby  
You know it hurts me way down inside  
When you hear me moanin' and groanin', baby  
You know it hurts me way down inside  
Yes, when you hear me holler, baby  
You know you're my heart's desire
