I'll Play the Blues for You

Gary Moore

When you're down and out and ya feel real hurt Come on over to the place where I work Loneliness, I'll try to soothe I'll play the blues for you Don't be afraid, come on in You might run across some of your old friends Loneliness, I'll try to soothe I'll play the blues for you I got no big name and I ain't no big star But I play the blues for you, my guitar Loneliness, I'll try to soothe I'll play the blues for you Yes, I will, excuse me
