

No Reason to Cry

Gary Moore

If you could see inside my heart,
You'd see a loneliness right from the start.
Feels like laughing love has passed me by.
These days I need no reason to cry.

If you could feel the way I feel,
You'd know that every word I say is real.
Seems like laughing love can pass you by.
These days I need no reason to cry.

I always knew I would have to let you go.
The years go by and the only thing I know
Is that I love you still.

If I could see your face today,
Then all the emptiness'd be far away.
All the loneliness would pass me by.
Then I would have no reason to cry.
