

# One Good Reason

Gary Moore

Take me out of here.  
This place is gettin' much too small.  
Make me disappear,  
Vanish through the nearest wall.

Give me one good reason why I should stay.  
Give me one good reason to go on this way.  
Give me one good reason why I should stay with you,  
With you.

Take me out of here.  
This place is closing in on me.  
Make it disappear,  
Somewhere else I wanna be.

Give me one good reason why I should stay.  
Give me one good reason to go on this way.  
Give me one good reason why I should stay with you,  
With you.  
How, yeah.

Give me one good reason why I should stay.  
Give me one good reason to go on this way.  
Give me one good reason why I should stay with you,  
With you, with you.

Take me out of here.
