

Stand Up

Gary Moore

You can do what you want,
Nobody can stop you, baby.
You can do what you like,
No one's gonna stop you, baby.

You've gotta stand up for your freedom.
You've gotta stand up for yourself.

You can say what you feel,
Nobody can stop you talkin'.
You can go where you want,
As long as your talk, you're walkin'.

You've gotta stand up for your freedom.
You've gotta stand up for yourself.

You can do what you want,
Nobody can stop you, baby.
You can do what you like,
No one's gonna stop you, baby.

You've gotta stand up for your freedom, freedom.
You've gotta, gotta, gotta stand up for yourself, yourself.
