

Still in Love With You

Gary Moore

I think I'll fall to pieces
If I don't find somethin' else to do.
This sadness never ceases.
Woman, I'm still in love with you.

My head it keeps on reelin'.
It's got me in a crazy spin.
Ooh, darlin', darlin', darlin', darlin',
Is this the end?
I'm still in love with you.

Some people say time has a way of healing,
And it can dry all the tears from your eyes.
Oh, but darlin' they don't tell you 'bout this empty feelin',
And I cannot disguise it.

After all that we've been through,
I try my best, but it's no use.
I will always keep on lovin' you,
Is this the end?
I'm still in love with you.

And now that it's all over,
Woman, there is somethin' I think you should know.
And maybe baby, you might think it over
Just one more time before you go.

Call on me baby,
If there's anything I can do for you.
Call on me baby, baby,
Help me see it through.
I'm still in love with you.
