Stop Messin' Around

Gary Moore

Oh, baby please stop messin' around You're messin' around with my heart Baby please stop messin' around You're messin' around with my heart And if you don't stop messin' baby Pretty soon we're gonna have to part

Oh, baby please stop messin' around You're messin' around all the time Baby please stop messin' around You're messin' around all the time And if you don't stop messin' baby You're gonna be someone elses baby, not mine

Squeeze me baby till my face turn cherry red Roll me so hard, I'll fall right out of bed Please stop messin' around You're messin around all the time If you don't stop messin' baby You're gonna be someone elses baby, not mine

Squeeze me baby till my face turn cherry red Roll me so hard, I'm gonna fall right out of bed Please stop messin' around You're messin around all the time If you don't stop messin' baby You're gonna be someone elses baby, not mine Yeah!
