

When the Sun Goes Down

Gary Moore

I get so angry with people in this town.
I get so angry, the way they put me down, m-hm.
I had enough,
I'm leavin' when the sun goes down.

I get so angry with people everywhere, m-hm.
I get so angry, the way they stop and stare, m-hm.
Had me enough,
I'm leavin' when the sun goes down.

I've had enough of hangin' round.
I'm leavin' when the sun goes down.
I had enough of hangin' round.
I'm leavin' when the sun goes down.
Hm.

Makes me so mad, the people in this town.
Makes me so mad, the way they put me down, m-hm.
I had enough,
leavin' when the sun goes down.
That's right.

I've had enough of hangin' round.
I'm leavin' when the sun goes down.
I've had enough of stickin' round.
I'm leavin' when the sun goes down.

Had me enough.
Had me enough.
I've had enough.

I've had enough of hangin' round.
I'm leavin' when the sun goes down.
I've had enough of stickin' round.
I'm leavin' when the sun goes down.

I've had enough!
I had enough!
I had enough, 'nough!
I've had enough!
Had me enough!
