

## Down in the Park

Gary Numan

Down in the park with the machmen  
meet the machines playing kill by numbers  
Down in the park with a friend called five  
I was in a car crash or was it the war  
But I've never been quite the same  
Little white lies like I was there

Come to Zom-Zom's the place to eat  
Like it was built in one day  
You can watch the humans trying to run  
Oh look there's a rape machine  
I'd go outside if it'd look the other way  
Wouldn't believe the things they do

Down in the park  
Where the chant is death, death, death  
'Til sun cries morning  
Down in the park with friends of mine  
We are not lovers, we are not romantics  
We are here to serve you  
Different face but the words never change
